	TERM – I (STORY) The Elephant and the Ants The story of The Elephant and the Ants. A big, proud elephant loved bullying smaller animals. Every day, he sprayed water at the ant hill, making life difficult for the tiny ants. One day, the ants decided to teach him a lesson. They crawled into his trunk and started biting him from the inside! The elephant danced and howled in pain until he begged for forgiveness. He promised to never hurt the ants or anyone else again. Moral of the story: No one is too small to make a difference. Be kind to everyone, no matter how big or small they are. TERM – II (STORY) The Thirsty Crow The story of The Thirsty Crow. A thirsty crow was flying through a forest, looking everywhere for water. Finally, he saw a pot with some water at the bottom, but his beak couldn't reach it. The crow didn't give up. He looked around and noticed some pebbles on the ground. The clever crow started dropping the pebbles into the pot one by one. Slowly, the water rose higher and higher until it was close enough for him to drink. The crow finally quenched his thirst and flew away happily. Moral of the story: You can solve any problem if you think smart and don't give up!

कम पानी होने के कारण पानी पी न सका। कौआ ने कुछ सोचा और वह कुछ कंकड़ अपनी चोंच में भरकर लाया और घड़े में गिराता गया, इस तरह मटका कंकड़ों से भर गया और पानी ऊपर आ गया। अब कौआ ने अपनी प्यास बुझाई।

शिक्षा :- हमें कभी भी परिस्थितियों के आगे हार नहीं माननी चाहिए और अपनी सूझबूझ से उसका सामना करना चाहिए।
